What is RX-Quartz?

RX-Quartz is a state-of-the-art, low VOC, UV-stable resin-bound quartz flooring system that seamlessly combines aesthetic appeal with exceptional functionality. Designed to enhance any environment with its decorative finish, RX-Quartz offers a durable, hard-wearing surface that is slip-resistant and soft underfoot, ensuring both safety and comfort. This versatile flooring solution is perfect for spaces requiring a blend of style, performance, and sustainability.

RX-Quartz offers the following features & benefits

Features:

1. **Low VOC:** Eco-friendly formulation minimises environmental impact.
2. **UV Stable:** Maintains colour vibrancy and finish, even under prolonged exposure to sunlight.
3. **Resin-Bound Quartz:** Provides a visually stunning, seamless, and customisable design with a range of colours.
4. **Slip-Resistant:** Enhanced safety for both wet and dry conditions, ideal for high-traffic areas.
5. **Hard-Wearing:** Built to withstand heavy foot traffic and demanding environments without compromising appearance.
6. **Decorative Finish:** Elegant, modern aesthetics make it suitable for residential, commercial, and industrial spaces.
7. **Soft Underfoot:** Comfortable to walk on, reducing fatigue and enhancing user experience.

Benefits:

- **Enhanced Safety:** Slip-resistant surface reduces the risk of accidents, making it suitable for families, businesses, and public spaces.
- **Long-Lasting Durability:** Hard-wearing properties ensure a cost-effective flooring solution with minimal maintenance needs.
- **Eco-Friendly:** Low VOC formulation supports sustainability and complies with environmental standards.
- **UV Resistance:** Ensures the flooring retains its colour and finish, even in outdoor or sunlit areas, reducing the need for frequent replacements.
- **Versatility:** Ideal for both indoor and outdoor applications, such as patios, driveways, commercial lobbies, and more.
- **Aesthetic Appeal:** Customisable colours allow for personalised designs that enhance the look of any space.
- **Comfortable Feel:** Soft underfoot surface makes it a practical and inviting option for everyday use.
